

Beaverdale Memorial Park

90 Pine Rock Avenue | New Haven, Connecticut 06515
[203-387-6601](tel:203-387-6601)

We are excited to announce the completion of our Columbarium project!

We have added six free standing columbarium units consisting of 288 niches that will accommodate 576 urns. These units were installed on each side of the mausoleum. The addition of pavers and granite benches enhances the elegance and grace of the mausoleum.

Each niche measures 12" by 12" by 13" deep, accepting 2 urns. Entombments will be memorialized through custom inscriptions, designed by each family and engraved into granite fronts.

The interior of each niche is finished with polished granite befitting the overall beauty and dignity of Beaverdale.

We would be most pleased by a visit from you so that we may show you firsthand this new addition to our offerings as we strive to meet the needs of the families we serve. Please feel free to contact us to arrange a visit at your convenience.
